**C o u r s e
Description**
授業の概要

This course aims to improve students' use of English for Business Communication. Class activities includes 4 skills usage: reading, writing, speaking, and listening. The course focuses on how Japanese businesses use English to project their corporate identities internationally. It aims to prepare students to use English for professional purposes, both in Japan and abroad.

**C l a s s
Organization**
授業の進め方

Classes are organized around themes from the textbook, video lectures from business leaders, and discussions in the classroom of ideas generated from the source material. Students are expected to prepare for classes and participate in classroom activities.
